“World Environmental Day Celebration on 5th June 2020”

*The UN Environment Programme (UNEP or UN Environment) annually organizes events for World Environment Day, which encourages worldwide awareness and action for the protection of the environment. It is celebrated on 5th June in over 100 countries. In 2020, Colombia will be hosting the global **World Environment Day celebrations** on the theme, ‘Biodiversity’.*

“Biodiversity” a call to action to combat the accelerating species loss and degradation of the natural world. One million plant and animal species risk extinction, largely due to human activities. World Environment Day urges us to rethink how our economic systems have evolved and the impact they have on the environment. These are issues the world cannot lose sight of even as we tackle the coronavirus pandemic and the ongoing climate crisis.

All are warmly invited for the celebration of “WORLD ENVIRONMENT DAY” being organized at our plant premises on, 5th June 2020.

“Here we organized by planting over a 10000+ saplings at All over the Plant”

World Environment day program inauguration ceremony at SVK YARD 10.00 AM.

With Warm Regards,
